# What is it about?

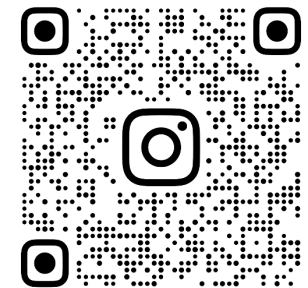

**Youngcaritas** regularly organizes **social actions related to sustainability** goals for and with young people, e.g., **#PlatzfürToleranz**, **participation in climate strikes**, **self-picking trees**, **letters against loneliness**, and **"Buy one more"** for food banks.

Do you have your own project idea that you'd like to implement? Use our network—let's do it together! Or do you want to get involved but don't have an idea yet? Get in touch! We already have project ideas ready to go.

Whether in a kindergarten, a senior home, or a public space, let's make the world a little brighter.

**Caritas** is Germany's largest welfare association and organizes the social work of the Catholic Church. The association also runs 88 daycare centers.
