Familiencafé

What is it about?

Support for the Passau Child Protection Association's family café.

The Kinderschutzbund is a nationwide non-profit organisation whose basic idea is to enable children to grow up healthy and happy in their families.

Parents can discuss all facets of family life, discover common and new interests or simply relax and socialise in informal get-togethers/coffee mornings. The best thing about it: the children naturally come along and can play, discover and run around.

What do I have to do?

Opportunities to get involved in the family café:

- Play with children
- Contribute your own ideas for activities
- If necessary, advertising measures
- Exchange ideas with parents

Das sagen Teilnehmer*innen aus dem letzten Semester über das Projekt:

„Working with children is very enriching. You learn to enjoy life with more ease more often. Getting to know different life situations is very important in order to extend your horizon and to get out of your student bubble."

„It was really eye-opening and helps you to get a different perspective on the world and to pay more attention to other people. You also learn a lot of soft skills in dealing with a colourful group of people."
