What do I have to do?

Bavarian meets NNtegration combining language, culture and cuisine

International nurses often face challenges with dialects & local culture. This interactive project combines language training, cultural exchange and shared experiences to promote integration.

Aims of the project

- ◆ To convey Bavarian language & culture in an entertaining way
 - ◆ Promote intercultural exchange & create a meeting place
- ◆ Strengthen linguistic & cultural integration in the healthcare sector

What is the project about?

 Who can take part?

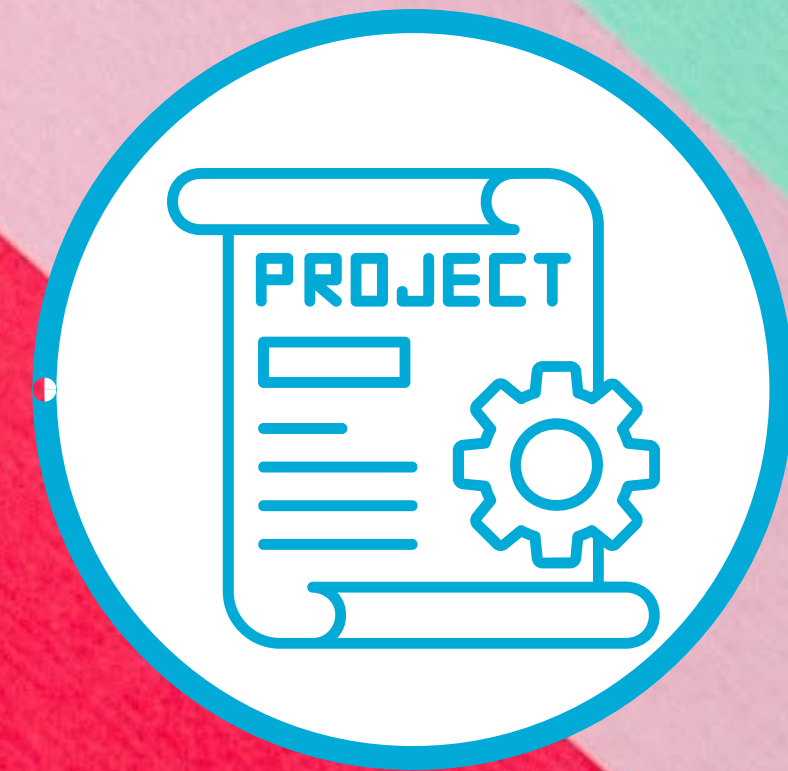

-  Students who would like to organize two to three intercultural Bavarian events
-  Open to creative minds who want to build a bridge between cultures
-  Interest in intercultural work, dialects & joint project work

 NO PREVIOUS KNOWLEDGE NECESSARY!

Anyone can take part whether you know Bavarian or just want to have an intercultural exchange!

 Pack ma's! Join in and come together for a great integration! Simply with a desire for intercultural exchange! 😊
