What is it about?

Motivating opportunities for **creative expression for children and young people** – that's the motto of Kind.Jugend.Kunst!

Art-interested students plan and design **one-day workshops for children and young people**, which will take place from **August 4-8, 2025**, as part of a joint 'Summer Academy.' Regular meetings throughout the semester will serve as an exchange and preparation. The summer academy will conclude with a joint exhibition, including setup and takedown.

What do I have to do?

Are you interested in art and enjoy working with children and young people?

The Kind.Jugend.Kunst team is looking **for reliable and committed (future teacher) students** to assist in the preparation and execution of the workshops. Experience working with children and young people is recommended. The most important requirement is basic knowledge of artistic techniques and a passion for creating art. This is a great opportunity to connect with other students and gain experience working with children and young people.

When does it start?

Warum du mitmachen solltest

Das sagen Teilnehmer*innen aus dem letzten Semester über das Projekt:

„Am Projekt KJK gefällt mir besonders, dass man eigene Ideen in Workshops umsetzen und mit Kindern arbeiten kann, die Freude am Gestalten und kreativen Arbeiten haben.“

„Ich konnte mich kreativ ausprobieren, wertvolle Erfahrungen sammeln und mich persönlich weiterentwickeln.“

„Während des Team-Projekts konnte man beobachten, wie die Kinder im Workshop gemeinsam kreativ wurden. Sie halfen sich gegenseitig und gestalteten mit unserer Unterstützung ein kleines Kunstwerk.“

„Kind.Jugend.Kunst bietet die Möglichkeit, sich in der künstlerischen Arbeit mit Kindern und Jugendlichen auszuprobieren und so wertvolle Praxiserfahrung für das spätere Berufsleben zu sammeln.“
