

Checklist for international students upon arrival in Passau

The following administrative procedures are required after arriving in Passau:

1) Take out health insurance

[completed]

You have to have sufficient health insurance coverage to enrol at a German university (Costs: about 140€ per month). If you are an EU student, you can show your European Health Insurance Card (EHIC) to a German health insurance company, which will then provide you with a document confirming your insurance status (*Meldung 10*). Non-EU students should take out German health insurance. Below is a non-exhaustive list of German health insurers for your reference:

3) Open a bank account

[completed]

In general, students can set up a free bank account. **We strongly recommend that you open a German bank account rather than using a foreign one!**

4) Find accommodation

[completed]

If you haven't found (permanent) accommodation yet, please take a look at the notice boards within the university, on Facebook (<https://www.facebook.com/groups/Universitaet.Passau/>) or do a search on the internet (e.g. <https://www.wg-gesucht.de/en/>) and contact us as soon as possible.

5) Registration, Residence Permit, and De-registration [completed]

During the orientation weeks, there will be information events on these topics.

a) For all students from EU countries or with a valid visa:

Please register at the Citizens' Office (*Bürgerbüro*) of the City of Passau within two weeks after your arrival. You will receive a registration certificate (*Meldebescheinigung*) there. After a few weeks, your tax identification number (*Steuer-Identifikationsnummer*) will be sent to you by mail. You can find a list of the required documents here:

<https://www.uni-passau.de/en/immigration-formalities/residence-registration>

There are two Citizens' Offices in Passau. Please make an appointment online under the section "*Meldewesen*" for the purpose "*Zuzug aus dem Ausland*" at the office that is most convenient for you to reach.

b) For students from non-EU countries who entered without a visa or do not yet have a confirmed residence status:

If you entered Germany without a visa (e.g., with a residence permit from another EU country or as a refugee), or if you do not have an internationally recognized passport, please contact the university (exchangestudents@uni-passau.de for exchange students or istudicoach@uni-passau.de for degree-seeking students) to learn how to complete your registration within two weeks. Alternatively, attend the relevant information session.

c) Application for a residence permit (*Aufenthaltstitel*) for students from non-EU countries

Important: After registering with the city of Passau, you must apply for a residence permit – unless your visa is valid for the entire duration of your stay in Passau. Please note that this process can take some time (approx. 12 weeks).

We recommend setting a reminder in your calendar to check the university website about this topic **four months before your visa expires**. The university regularly offers info sessions and pre-checks of your documents for the application process. Please attend one of these sessions before contacting the Immigration Office (*Ausländerbehörde*).

You can find a list of the required documents here:

<https://www.uni-passau.de/en/immigration-formalities/residence-permit-for-international-students-in-germany>

There is a fee of approximately €100 for the residence permit, which you must pay in cash at the appointment with the Immigration Office.

Responsible authority: Ausländeramt der Stadt Passau: Dr.-Ernst-Derra-Straße 2, 94036 Passau

d) De-registration (*Abmeldung*) at the end of your stay

If you are moving abroad, you must de-register **no earlier than seven days before** and **no later than two weeks after** your departure- You can use the form available through the Citizens' Service Portal:

https://www.buergerservice-portal.de/bayern/passau/bsp_abmeldung_ausland
