

The counselling team of “**Counselling Student Live**” of the STWNO (student union) is advising and supporting you with issues and questions surrounding personal, social and financial difficulties. We advise you on the following topics and more:

- we provide advice on study financing
 - We are answering questions and are providing support on study financing, questions on student jobs, insurance or scholarships.
- we support and advise students with children as well as students who care for relatives
- we advise students with disabilities or chronic illnesses
- we are responsible for our international tutors and tutors in residential complexes (tutors answer your questions and develop sport and cultural programs)

We are also cooperating with advice centers of the University of Passau such as the International Office, the family service as well as with the academic advice service
